

PRO SERIES

Residential Drywall Cart

Engineered for residential job site constraints, this compact yet durable cart is designed to navigate tighter spaces without sacrificing strength and usability. It features a 39-3/4" x 9-3/8" heavy-duty nylon skid plate over a reinforced steel frame, delivering smooth, stable transport while protecting surfaces and material. Finished with a premium powder coat for long-lasting durability, this cart is exclusively compatible with our Max-Performance Narrow Casters—including as a set of four: two swivel and two swivel with locks. Ideal for contractors who need mobility, reliability, and control in confined residential work areas.

MAX PERFORMANCE CASTERS

When you choose Max-Performance Casters, you're choosing to eliminate flat spots, deformation, and accelerated wear—maximizing performance and keeping the job rolling smoothly.

Includes:
8" Max-Performance Narrow Plate Polyurethane Casters
