MAGNUMTM

SINCE 1989

In 1989, Magnum Tool Corp, Inc. began its journey as a tool distributor in our hometown of Houston, Texas. Aiming to build a lasting imprint on our community, we focused on establishing a reputation for delivering professional-grade tools and equipment at exceptional value. We are blessed and proud of the company we've built with the support of our community, our great team, the network of distribution we have cultivated, and the many loyal contractors that use our tools and equipment worldwide.

Today, Magnum offers a great selection of Material Handling Equipment, Drywall Specific Tools and Material, Step-Up Benches, Fasteners, and more. We continue to innovate and add value to the products we develop and carry. Magnum products are engineered to excel with rugged daily use. Whether it's a dump cart tub that tilts easily, maneuvers through narrow passages, and still transports efficiently, or the latest in drywall cart design; Magnum provides professional-grade equipment to keep you moving.

Our product line encompasses a wide offering to support residential, commercial, industrial, and general construction. Tradespeople, such as acoustical contractors, electricians, drywall contractors, janitors, and facilities workers are at the core of our loyal user base. Our commitment to excel through friendly and knowledgeable customer service, product training, and support, is what sets Magnum apart. Our devoted team works in tandem to ensure your satisfaction.

Welcome to the family!

NEW MAGNUM CONDUIT/ PIPE CART

Engineered for Control and Capacity. The Magnum Conduit/Pipe Cart features adjustable arms for secure, customizable load positioning—ensuring safer handling of conduit, pipe, and tubing. A heavy-duty wire base adds storage flexibility, while Max-Endurance 8" polyurethane casters provide smooth, stable transport across demanding work sites. Built to carry up to 1,600 lbs, this rugged, field-tested cart is designed to outperform standard conduit carts in both durability and functionality.

- ✓ 1600 lb load capacity
- ✓ 3 height-adjustable arms- each can carry 200 lbs per side (400 lbs per arm set)
- ✓ Arms fold down for easy storage and transport
- ✓ Large and sturdy wire base for additional storage
- ✓ Forklift pockets to help forks engage and lift safely
- ✓ High quality steel construction and durable powder coat finish
- ✓ Max-Endurance 8" Heavy-Duty Polyurethane Casters (2 Swivel Lock, 2 Swivel Lock w/ Brake)

Handles fold flat for easy transport and storage

DRAFTDECK

PLANNER TABLE FOR SERVICE CARTS

The **Magnum DraftDeck Planner Table** is a versatile accessory for our 4426 Pro Series Service Cart. It converts the upper tray into a secure storage area and flat workspace. The flip-top lid positions at two ergonomic angles for easy document review and collaboration. For standard use, stow the lid against the cart side. Lightweight, durable, and easy to mount or remove with 12 P3 screws, it's perfect for all construction phases. Enhance productivity with adaptable work angles, secure storage, and robust design.

- 37" X 26-1/2" table top surface
- Fits Magnum 4426 Pro Series Service Carts (works with or without Magnum Vault installed)
- Flip-Top lid can be positioned at a variety of angles to make collaboration easier
- Use a key or combination lock to secure the contents of your upper tray
- Service Cart & Vault sold separately

SERVICE CART ACCESSORIES

2-1/2" BENCH CHAIN VISE

FOR 4426 PRO-SERIES SERVICE CARTS

This versatile vise mounts easily to any sturdy surface, and its specialized plate and hardware ensure seamless integration with the Magnum 4426 Pro Series Service Cart for uncompromised stability. Built from heavy-duty cast iron, it's engineered for lasting durability. Toothless, neoprene-coated jaws grip pipe securely without scoring, while a smooth-turning crank handle makes tightening effortless. An integrated side pipe rest and bender provide added stability and leverage. With a 1/8" to 2-1/2" pipe capacity, it's ideal for bending, cutting, threading, and more.

- ✓ Fits 4426 Pro-Series Service Carts
- ✓ For 1/8" to 2-1/2" pipe/conduit/tubing
- ✓ Transforms cart into a mobile pipe cutting, threading and bending center
