Fits Magnum 4426 Pro Series Service Carts

Durable cast iron construction and easy-crank handle

Neoprene coated jaws to prevent scoring of material

CARTA-CV-212

2-1/2" Bench Chain Vise

Conquer any pipe job with the Magnum 2-1/2" Bench Chain Vise

This versatile vise mounts easily to any sturdy surface, and its specialized plate and hardware ensure seamless integration with the Magnum 4426 Pro Series Service Cart for uncompromised stability. Built from heavy-duty cast iron, it's engineered for lasting durability.

Toothless, neoprene-coated jaws grip pipe securely without scoring, while a smooth-turning crank handle makes tightening effortless. An integrated side pipe rest and bender provide added stability and leverage. With a 1/8" to 2-1/2" pipe capacity, it's ideal for bending, cutting, threading, and more.

- Fits Magnum 4426 Pro Series Service Cart
- 1/8" to 2-1/2" pipe capacity
- Durable cast iron construction with toothless neoprene coated jaws to prevent scoring of pipe
- Secure pipe or tubing to allow for cutting, bending, threading or welding.
- Mount and hardware included for easy installation on Magnum 4426 Pro Series Service Cart
